Dear Parent/Guardian

Travel to school arrangements

We are in the process of updating our school travel plan and would like to ask for your support in informing the school of your travel to school arrangements. We are seeking to understand the various ways students and parents travel to school, and if there is any way the school can support in these travel arrangements.

Can you please complete [this form](#) by Monday 13 May at 8am when it will close. The results will be published within the updated travel plan which will be made available on the schools website.

Thank you in advance for your support.

Yours sincerely

Mrs C Swart
