Dear Parents/Carers,

Cultural Diversity Day – Thursday 10 July 2025

It is with great pleasure that I write to you regarding the upcoming Cultural Diversity Day on Thursday 10 July. Our wonderfully diverse community is one of the best aspects of Maiden Erlegh Reading and we look forward to celebrating this with students.

Students were invited to sign up to represent their culture in our Cultural Fair and we have had a fantastic response. The theme of the day is ‘My Cultural Hero’ and students will be exploring different culture heroes in their Cultural Lesson.

In addition, this day will also be a non-uniform day. Please ensure students are dressed appropriately for the school day – no crop tops, short shorts or open toe shoes. It would be lovely to see as many students as possible representing their culture through their non-uniform. Students who wish to participate should bring a **£1 donation** (this includes stall holders). We will be raising money for a Reading based Charity which supports refugees in Berkshire – Refugee Support Group - <https://refugeesupportgroup.org.uk/>.
