Dear Parent / Guardian

Year 9 – Educational Diversity

On 7 January 2026 we will be welcoming a visiting group called **The Life of a Chickpea**. This is an educational diversity group who work with children to explore themes of similarities, differences, and belonging through the medium of different religions.

‘The Life of a Chickpea’ helps students understand that while we may all have differences in our background, culture, or experiences, we also share many similarities that connect us. It encourages empathy, kindness, and respect for others, and supports students in recognising the value of every individual.

If you have any questions or would like more information about the program, please feel free to contact me on tzmoore@maidenerleghtrust.org.

Thank you for your continued support.

Yours sincerely,

Ms T Z-M
