

**14 January 2026**

Dear Parent/Guardian

**Year 9 GCSE Subject Information Evening 4 February 2026 - Invitation to Parents**

I am delighted to invite you to our GCSE Subject Information Evening which will be held on Wednesday 4 February 2026 at 5pm.

This is an important time for our Year 9 students as they begin to consider their options, not only for their GCSEs, but thinking ahead to what they would like to do in the future – at sixth form, college, university and beyond.

The purpose of this information evening is to explain how the Options process works, to introduce you to the courses we offer and provide some initial help and advice. This is an important evening for both students and parents as it provides the opportunity to discuss option choices with staff.

There will be a main presentation to parents at 5pm. After the presentation parents and students will be able to speak to Curriculum Leaders and current GCSE students and ask any questions about the courses. Questions regarding your son/daughter's progress and suitability for the course should be directed to their class teacher during Y9 Progress Meetings on 26 February.

We hope that you can attend this evening and look forward to working with you and your child throughout the options process.

Yours sincerely

**Mrs S Redrup**  
Deputy Headteacher
