Dear Parent / Guardian

School Uniform / School Shoes Policy

We would like to take this opportunity to thank you for your continued support in ensuring that students attend school wearing the correct uniform, as outlined in our School Uniform Policy. Your cooperation plays an important role in promoting a positive, inclusive, and focused learning environment for all students. [Please follow this link to view a summary of our uniform policy document.](#)

All students are required to wear **black, polishable school shoes**. Trainers, canvas shoes, boots, shoes with logos or coloured soles do not meet our uniform requirements. [A footwear guide can be found here.](#)

We appreciate that it may not always be possible to replace footwear immediately, but we do ask that appropriate school shoes are acquired for your child **before the start of the summer term**.

Thank you once again for your understanding and ongoing support. If you have any questions regarding uniform expectations, please do not hesitate to contact the school.

Yours sincerely,

A Harvey
