

10 March 2026

Dear Parent/Guardian,

ePlatform Digital Library

Maiden Erlegh School in Reading is committed to providing students with unique learning opportunities and promoting Reading for Pleasure, which is why we are pleased to introduce ePlatform, a digital library for students that provides free access to eBooks and Audiobooks.

With ePlatform, your child has unlimited access to eBooks and Audiobooks for free. This is a wonderful extension of our new, physical school library allowing eBooks and Audiobooks to be checked out at home, over the weekend or during school breaks - without worrying about losing texts or accruing late fees.

Students in all key stages and of all ability will benefit from ePlatform's reading and comprehension tools. Our digital library offers:

- Unique reader customisation with Settings Wizard, across all devices
- Introduce students to books above their reading level
- Help students find time to read for pleasure
- Increase vocabulary and improve pronunciation and comprehension
- User friendly for all types and ability of reader

How does it work?

Ensure your reader has the ePlatform app, which can be downloaded for free from the Apple Store, Google Play Store or visit our Maiden Erlegh School in Reading ePlatform homepage, [here](#). Students will be given their own unique usernames during tutor, and all passwords are **library123** to begin with.

If you have any concerns, please contact Mrs Cotton via the main office at meroffice@maidenerleghtrust.org. Thank you for your support and encouragement of wider reading.

Regards,
Mrs Cotton
Head of Year 11
