Dear Parent/Guardian

Cultural Diversity Day – 30 June

It is with great pleasure that I write to you regarding the upcoming Cultural Diversity Day on 30 June. Our wonderfully diverse community is one of the best aspects of Maiden Erlegh School in Reading and we look forward to celebrating this with students.

Students were invited to sign up to represent their culture in our Cultural Fair and we have had a fantastic response. We want to thank all students for their generosity in representing their cultural traditions and food with other students.

The theme of the day is *'Culture through the generations: Traditions Old and New'* and students will be exploring different culture traditions in their Cultural Lesson.

In addition, this day will also be a non-uniform day. Please ensure students are dressed appropriately for the school day – no crop tops, short shorts or open toe shoes. It would be lovely to see as many students as possible representing their culture through their non-uniform.

Students who wish to participate should bring a **£1 donation** (this includes stall holders). We will be raising money for a Reading based Charity which supports refugees in Berkshire – Refugee Support Group - <https://refugeesupportgroup.org.uk/>.
